Kohsel A/S manufactures inductive components; transformers, chokes, and filters, and in relation to REACH – we are a downstream user. The transformers, chokes, and filters we supply to you are solely non-chemical goods and shall not release any substance under normal circumstances. Kohsel A/S is neither obligatory for the registration nor for the creation of materials or safety data sheets (SDS/MSDS).

We will immediately inform you in correspondence to REACH – article 33, if any substance of content (as from a content of > 0.1%) in our goods will be classified as alarming by the European Agency for Chemicals (ECHA, <https://echa.europa.eu/candidate-list-table>).

Independent of the fact, we are intensively pursuing the realisation of REACH on the part of our suppliers. We are in close contact with our suppliers of chemistry and prepared materials.

As a part of our supplier qualification, we have implemented a registration process to secure relevant information from our suppliers.

Best regards,
For Kohsel A/S
